MOBILITY COMBO PACK

3-PACK MOBILITY ORGANIZATION

MOBILITY CUP-HOLDER.

The Mobility Cup Holder is the first ever portable cup holder designed to fold flat while rotating and adjusting to nearly any situation. Now take your beverage anywhere and everywhere.

MOBILITY PHONE GRIP.

The Mobility Phone Grip™ is an innovative phone mount that rotates 360° and adjusts to grip a wide variety of phone sizes. The flexible strap system wraps tightly around any bar or rail.

MOBILITY DUAL HOOKS.

The Mobility Dual Hooks are the first ever double hook attachment that rotates 360° to hang a variety of objects. Great for securing canes, purses, hats, umbrellas, etc...

ATTACH TO WALKERS, STROLLERS, BICYCLES, WHEELCHAIRS, CARTS, AND MUCH MORE

Users of rollators, walkers, and wheelchairs increasingly want convenient access and storage for their personal items. This is a growing area of need and demand.
